RMCOEH SCHOLARSHIP APPLICATION: PLEASE INDICATE WHICH SCHOLARSHIPS YOU ARE APPLYING FOR WITH A CHECK MARK, YOU MAY SELECT MORE THAN ONE

Dallas Bradford Scholarship in Occupational Health	
The scholarship will be awarded to an outstanding student who has been accepted into a Graduate Degree Program in either Occupational Health or Mechanical Engineering at the University of Utah. For purposes of this scholarship, Occupational Health fields include but are not limited to: Industrial Hygiene, Occupational Medicine (MOH), Occupational Injury Prevention, MSOH, Ergonomics and Safety, as well as Aerospace Medicine. If not enrolled in an Occupational Health degree program (e.g., School of Medicine; Mechanical Engineering), the student must demonstrate substantial interest in Occupational Health.	
Dr. Richard E. Johns Endowed Scholarship	
The Dr. Richard E. Johns Scholarship was established by the family of Dr. Johns in his memory and to honor his legacy of education and scholarship. Dr. Johns was the Occupational Medicine Director for the Rocky Mountain Center for Occupational and Environmental Health from 1987-1989 and subsequently served as Medical Director for ATK Thiokol. RMCOEH will award individual scholarship(s) with a value of up to \$1,000 for use by graduate students/trainees training at the RMCOEH. Scholarship funds may be used for tuition, fees, and academic expenses.	
D. Jeff Burton Endowed Scholarship in Occupational Health	
The scholarship will be awarded to an outstanding student who has been accepted into a Graduate Degree Program in Engineering or Occupational Health at the RMCOEH at the University of Utah. For purposes of this scholarship, Occupational Health fields include: Safety, Ergonomics, Industrial Hygiene, and Occupational Injury Prevention. If not enrolled in a RMCOEH Engineering or Mining Engineering or Occupational Health degree program, the student must demonstrate substantial interest in the health and safety of workers, have a preferred background in engineering, and demonstrate interest in ventilation systems.	
The scholarship will be awarded based on engineering background, interest in studying and/or design and engineering ventilation systems to prevent diseases, outstanding academic achievement.	
Royce Moser, Jr. and Lois H. Moser Endowed Scholarship in Occupational Health
