

CERTIFIED SAFETY & HEALTH OFFICIAL (CSHO) – CONSTRUCTION CERTIFICATE APPLICATION

Submit to:

Mountain West OSHA Education Center (MWOEC) Rocky
Mountain Center for Occupational & Environmental Health
250 East 200 South Suite100 RmG113AA
Salt Lake City, UT 84111
801-581-4055
contact@mountainwestosha.com

Application Information:

Recipients will be provided with both hard and electronic versions of their certificate upon application submittal, approval, and payment.

If you have not completed your certificate requirements: Students applying for their certificate prior to completing all requirements will be presented with their certificate in their final class. For classroom presentation, the certificate application must be submitted *no later* than close of business on Monday the week prior to your course. All coursework must be completed (other than the final class) before application submittal.

Status of Processing: Certificate applications will be processed within ten business days of receipt by the MWOEC office. If you do not receive a receipt of confirmation within this time frame, contact the MWOEC office.

If you have completed all of your certificate requirements and will not be receiving your certificate/plaque in class: credentials will be sent to the address provided on page 2.

Student Information: *Note: Enter name as it will appear on certificate credentials*

Last Name	First Name	MI	Date of Request	
Mailing Address		City	State	Zip
Phone Number		Email Address		

I would like to be included on the list of certificate recipients in the MWOEC monthly electronic newsletter.

Certification Requirements:

At least four courses must be completed through the MWOEC. A copy of each course completion certificate or transcript is required to be submitted with this application for coursework not completed through the Mountain West OSHA Education Center. The MWOEC will accept up to four (4) courses from other OSHA Education centers.

Required Courses (5):

- OSHA #510 OSHA Standards for Construction
- OSHA #511 OSHA Standards for General Industry
- OSHA #3015 Excavation, Trenching and Mechanics
- OSHA #3095 Electrical Standards
- OSHA #3115 Fall Protection

Elective Courses (choose 3 from this list only):

- OSHA #500 Trainer Course for Construction
- OSHA #2015 Hazardous Materials
- OSHA #2045 Machinery and Machine Guarding
- OSHA #2055 Cranes in Construction
- OSHA #2225 Respiratory Protection
- OSHA #2264 Permit-Required Confined Space Entry
- OSHA #3085 Principles of Scaffolding

**Note: Three (3) OSHA "Short-Courses" (7000-series)
can be substituted for one (1) Elective Course**
