

PHD IN MECHANICAL ENGINEERING (OCCUPATIONAL SAFETY ENGINEERING) COURSE REQUIREMENTS

PhD (Occupational Safety Engineering Emphasis)

Take 63 course credits for PhD + 9 credits Dissertation

Required course list

Course No.	Course Name	Credits
MEEN 6150	Introduction to Product Safety	3
MEEN 7110	Systems Safety	3
MEEN 6035	Design of Experiments	3
MEEN 7120	Musculoskeletal Functional Anatomy for Engineers	3
MEEN 7100	Advanced Ergonomics and Occupational Biomechanics	3
MEEN 6110	Introduction to Industrial Safety	3
MEEN 7970 (PhD)	Dissertation	9

Electives are also available for students to reach credit requirements.
