

SYLLABUS
ROBOTICS SEMINAR (ME EN 6892-001, CS 7939-001)

Instructor: Mark Minor, 2153 MEK, mark.minor@utah.edu, 587-7771.
 Office Hours: TBD and by appointment.
 Seminar Time: Thursdays, 12:55-1:45 PM
 Seminar Location: The seminar will meet in WEB 1250 unless otherwise noted. Speakers from off campus will be hosted on zoom. The zoom link will be provided via the robotics mailing lists and posted on canvas.

Seminar Objectives: Learn about robotics research at the University of Utah and abroad. Weekly seminars from faculty and students provide an opportunity to learn about published work and to build the robotics community at Utah.

Prerequisites: None

Required Text: None

Course Website: <https://utah.instructure.com>

Grading: Seminar Summary: 100%

Seminar Summary: In the Robotics Seminar, you will be expected to write a one-paragraph summary of each talk, which will be graded on a 3-point scale. A good summary will provide the name of the speaker, a succinct summary of the topic of the talk, something that you found particularly interesting, and a (positive or negative) question that was remaining in your mind after the talk. Summaries are due one hour after the seminar is finished. There is no way to make up missed seminars, but you are allowed to miss two seminars without penalty.

Mailing Lists: Students should subscribe to the robotics mailing list at <https://www.lists.utah.edu/wws/info/robotics-all>.
